Founded in 1979 by President Bob Schluter, Middle Atlantic offers an extensive selection of products such as steel rack enclosures, [monitoring consoles](#), data cabling management products, audio and video studio furniture, power distribution products and related accessories. At the heart of Middle Atlantic's technical prowess lie manufacturing capabilities led by laser-fabrication cells which produce smooth edges that are friendly to both cables and contractors hands and arms, automated forming lines, robots and high-speed turret presses that provide quick throughput. Complementing this formidable array of sophisticated machinery is a variety of automated support equipment that includes CNC spot welders, as well as a state-of-the-art, environmentally friendly powder coat line that produces scratch and corrosion resistant finishes. Middle Atlantic proudly maintains ISO 9001 registration for all of its US facilities, thus ensuring a world-class quality management system that provides the assurance that customers will receive the same consistently high quality products and service that they have come to rely upon and expect from Middle Atlantic.
