

Company Overview

Founded in February 2002 and headquartered in Fort Lauderdale FL, Cableorganizer.com is among the world's leading purveyors of cable and wire management-related products for use by individuals, hospitals, government offices and corporations of all sizes, alike.

Through both its U.S. Web site at www.CableOrganizer.com and its subsidiary www.CableOrganizer.fr, which is operated out of Rennes, France, the company offers consumers convenient single-point access to a comprehensive selection of high-quality products and information resources that are accessible to consumers 24/7/365. CableOrganizer.com also publishes "On the Wire," a free monthly electronic newsletter with a considerable multi-national opt-in circulation base.

CableOrganizer.com has serviced hundreds of major global brands and respected organizations. Customers include NASA, Boeing, Hewlett Packard, Microsoft, Lucent, Pfizer, Wal-Mart, Kodak, Lockheed Martin, Wells Fargo and a litany of others for applications in various environments including government, home theatre, computing, automotive, industrial, office, networking and home.

Operated by a highly experienced team of seasoned executives, IT experts and Internet marketing professionals in various disciplines, CableOrganizer.com has established itself as the "go to" source for both ubiquitous and specialized cable and wire management-related solutions.
