CHARGE FROM A19

pairs. Its needle meter displays the strength of the sunlight hitting the solar cell and gives you an estimate of the charging time for different battery types, based on that measurement. Charger also accepts Gum (Prismatic) batteries. Batteries not included.

XPower™ Solar Portable PowerPack

Perfect for camping

trips, road trips, tailgating or power outage emergencies, this XPower Solar Portable Power Pack (\$193.49) is lighter, quieter and, most importantly, greener than any generator out there. A removable solar panel soaks up the sun's energy, providing up to 400 watts of power for everything from laptops and cell phone chargers to blenders and small TVs.

More info and to buy: <http://cableorganizer.com/outlet/DAS-8522071.html?section=7&catname=Power+Supply>

Consumers may order these and other "green gadgets" online at <http://CableOrganizer.com> or toll-free at 1-866-222-0030.
