

Rowkin True Wireless Earbuds

True wireless headphones from Rowkin are a perfect for pretty much anyone and any occasion. The Ascent Charge+ model features an ergonomic fit primed for security and comfort. Constructed with a premium mylar diaphragm driver as well as an acoustic cavity, these earbuds produce dynamic sound and impactful bass with the benefit of touch controls. The case is Qi-compatible for wireless charging while also doubling as a power bank to keep your other devices charged courtesy of USB-C rapid charging. The Ascent Charge+ also features a mobile app for locating your earbuds and personalizing your sound profile.

iStorage diskAshur² Portable Encrypted Hard Drive

iStorage's diskAshur² is the ultimate encrypted hard drive for storing precious data, such as family photos and videos. Once you set your unique PIN code, everything it contains will be safe from prying eyes. They're great for storing family and work documents without the fear of the data getting lost or stolen. iStorage launched this new line of diskAshur² solid state drives and its USB 3.1 the diskAshur² hard drive all featuring Enhanced Dual Generating Encryption (EDGE) technology, making

them THE most secure data storage drives available on the market. EDGE Security employs built-in physical protection mechanisms designed to defend against external tamper, bypass laser attacks and fault injections. Plus with the HDD available in capacity options from 500GB to 5TB, there will be plenty of space for all the family's needs. With software free set up and operation, the diskAshur² HDD is platform/device independent, so it works across all operating systems including all versions of MS Windows, macOS, Linux, Android, Chrome, Thin Clients, Zero Clients and embedded systems. In fact, the drives will work on any device with a USB port.

TRAVEL-FRIENDLY TECH TRENDS

Noteworthy travel-enhancing solutions that are keen on making an indelible impact on our lives

BY MERILEE KERN

With a new year comes an array of innovations across multiple consumer product categories and sectors – from audio to beauty, fashion and self-care to security-minded hardware – and much in between. With reports citing that 2019 will be a pivotal year for consumer technology, here's a look at some noteworthy travel-enhancing solutions that are keen on making an indelible impact on our lives and journeys this New Year and beyond.

iHome Zenergy Aroma Therapy Bluetooth Speaker

Create a calming environment throughout your home with the combination of light, sound and aroma therapy. iHome's iZABT50 Zenergy Bluetooth Speaker features six different sound therapy tracks designed to calm your mind, lower your breathing and heart rate, and prepare your body for sleep. You can also select from seven different 115 Lux, full-colour light therapy modes designed to align your circadian rhythm at night and improve your mood throughout the day. iHome's Zenergy Aroma Bluetooth Therapy Speaker features two audio sources: built-in sound therapy and Bluetooth wireless audio streaming from your mobile device. It also includes aromatherapy to help create a calming environment with the use of essential oils (initial 5ml lavender supply in the box), with absolutely no water needed.

Aquio Bluetooth Speaker Water Bottle

USA-designed Aquio water bottles with detachable Bluetooth speaker, powered by iHomeAudio, are manufactured with high-quality stainless steel that is also notably BPA-free. Available in four fashionable colours – midnight, seafoam, merlot and blush – it is an ideal hydration bottle for those who lead an active lifestyle and love taking their music with them on-the-go. Aquio's removable speaker is powerful, IP67-rated waterproof, sand-proof and features designer weather-resistant premium woven acoustic fabric. Its rechargeable battery provides up to six hours of wireless audio playback time. The 16-ounce bottle, designed to fit all cup holders, is double wall steel-insulated maintaining temperatures up to 14-hours for hot liquids and a full 24-hours for cold.
