**DALLAS, TX, May 20, 2010** - Elaine Williamson Designs ([www.ElaineWilliamsonDesigns.com](http://www.ElaineWilliamsonDesigns.com)) - a full service, award-winning firm specializing in high end custom interior design for luxury residences, high rise properties, retail and other commercial establishments, today announced it has been selected as one of only eight design firms to showcase a room at the Dallas Total Home & Gift Market® event to be held at Dallas Market Center June 23-29, 2010. For the holiday season retail trade event, Elaine Williamson Designs will create a fully furnished formal living room decorated for Christmas that duly showcases the firm's distinctive southern elegance style sensibility.

"I'm honored that we've been selected to decorate a space at this year's Dallas Total Home & Gift Market event, as I know the competition was stiff for those eight coveted slots," said Elaine Williamson, principal of Elaine Williamson Designs. "This is a great opportunity to share my impassioned work with the retail community – an industry for which I've designed for many years additional to our residential division – as well as attending Dallas-area media seeking compelling home design and décor projects to report on."
