

Dallas Market Center Announces Home for the Holidays Exhibit Designers

Dallas Market Center recently announced the designers for its Home for the Holidays exhibit. The impressive display is a 4,200-square-foot, eight-room home furnished and decorated for the holidays presented during the Dallas Total Home & Gift Market in late June. The home features products from showrooms throughout the center.

"We have selected talented and innovative designers from the region to bring the exhibit to life," said Cindy Morris, COO, Dallas Market Center. "It will offer buyers an inspiring visual experience and a chance to see a wide range of furniture, decorative accessories and holiday décor from our showrooms."

This year's featured designers are: Glen Boudreaux, Glen Boudreaux & Associates; Beth Dotolo, Nest Interior Design; Abbe Fenimore, STUDIO TEN.25; Jimmie Sue Hoekenga, Designs Delivered; Katie Reynolds, Lilli-Design; Rhonda Vandiver, RSVP Design Services; Elaine Williamson, Elaine Williamson Designs; and Lesley Hughes Wyman and Tamara Ainsworth, Matchline Design Group.

Visitors to the Home for the Holidays showcase will see a wide variety of products - ranging from furniture and home accents to floor coverings, wall décor, tabletop, textiles and Christmas decor - displayed in a formal living room, dining room, breakfast room, master bedroom, children's room, guest room, game room and a den/media room. ♦
