

FoodieView

FoodieView — a food portal with a convenient recipe search engine providing one-stop access to the Internet's largest and highest quality collection of recipes — has announced the launch of its redesigned web site located at <http://www.FoodieView.com>. With the relaunch, food, cooking and dining enthusiasts have direct, streamlined access to a vast compilation of the best-of-the-web recipes from one single, highly specialized search engine. In addition to the one-stop recipe search engine, the relaunched web site provides social networking, a recipe box, metro restaurant guide, must-have cookbook reviews and food photography.
