

## Smells like pixie dust

In time for dance-recital season comes the ultimate gift for girly-girls. It's Twinkle Toes all-natural, talc-free pink glitter powder from Herban Renewal. With a sprinkle of the glass shaker container, the most seasoned ballet slippers will smell of "pirouette peppermint." Other enviro-friendly products, made by mentally and physically challenged adults, include body washes and products for "tweens." See more at <http://herbn-renewal.com/>.
