**Looking for the latest gadgets, toys, books or family related products?** Look no further! Each month, we highlight the latest and greatest just for you. Take a look at these "just born" products and add them to your list of must haves!

- 1 **M'Chic Jeans**  
These jeans have a patented slimming, adjustable waist panel that smooths as it shapes. The waist panel looks like the bottom of a camisole, and in addition to shaping, it also prevents revealing too much when Mom bends down to lift her baby, pick up toys or tie a shoe. **\$89, [www.mchicfashion.com](http://www.mchicfashion.com)**
- 2 **Fun Vintage Kitchen Aprons**  
Cute aprons make cooking even more fun! A variety of fabrics and fun ruffles make these vintage kitchen aprons the perfect gift for any mom or grandmother! Select from seven fun and flirty designs! 100% cotton, machine washable, double-layered fabric makes the aprons durable and long-lasting. **\$32, [www.everything4mom.com](http://www.everything4mom.com)**
