

# Easy Ways to Make Your Winter Season Better

BY MERILEE KERN

As the year comes to a close, consumers need new products to help beat the chilly weather. New inventions are made to benefit people's lives. The stress from the new year puts everyone in a panic, and everyone is always looking for new ways to beat the stress and anxiety they feel during the holidays.

Here are a few products that make everyone's lives a little easier.

## PhotoSpring Digital Photo Frame

A great way to effortlessly view your summer memories with your loved one, family and friends (and those yet to come) is with PhotoSpring, which is no ordinary digital photo frame. This portable device displays photos and videos as a frame, while also letting you browse through them like an album.

You can also view memories as they happen because photos and videos taken from your smartphone can be instantly displayed on the PhotoSpring. PhotoSpring even works with photo sites like Google Photos and Flickr. The **16GB is priced at \$159.95, 32GB \$179.95 and 80GB \$199.95.**

## Caudryn Battery Heated Mug

Those indelibly on-the-go will love Caudryn. This heated, battery-powered mug keeps your coffee, tea, soup and other liquids at your selected temperature all day long, making each sip perfect. The mug also features a 10-hour battery life.

Use the arrow buttons on the bottle to set your temperature or use the free phone app to control it from a distance. The app also features one touch settings for brewing green tea, or cooking freeze dried food. Caudryn's modular design means the battery and heating element are removable for easy cleaning. They are priced at **\$129.99.**

## TouchPoints Basic

Learning how to effectively deal with stress is important because, when untreated, it can undermine our physical and emotional health. Stress can directly affect our sleep, performance, mood, relationships and more. TouchPoints is advertised as a holistic health partner for the body and mind. It entails two devices worn on the wrists, preventatively, or on-the-spot for 15 minutes before, during or after a stressful situation.

The popular TouchPoints Basic model has a sleek design and extended battery life. It's controlled manually from each of the devices (rather than being app-controlled). The Basic design offers the three most popular settings: sleep, calm and anger, and also has customizable faces. These wearables are suited for children, students and elders to de-stress at just the push of a button. The Basic Value Bundle starts at **\$159.99**.

## Heat Holders

Billed as “the world’s warmest thermal socks,” Heat Holders are great for moms who love to be warm and cozy. Their ankle length crew sock has cozy turn over cuffs and are ideal for lounging around the home. They include heart shaped non-slip grippers on the bottom to provide better traction on indoor wood or tiled surfaces. They’re also wrapped in a pretty ribbon that says, “Just for you.”

These and all Heat Holders socks are made with specifically developed thermal yarn that provides high-performance insulation. The inside of each sock has been intensively brushed, trapping warm air close to the skin, keeping your feet warmer for longer. In addition to designs for women, the company also has options for men and kids as well. The prices for the thermal socks range from **\$9.99-21.99**

## GigiBees Eco Food Wraps & Reusable Metal Straws

With all of the fall and holiday entertaining ahead, let’s not forget that creating an eco-friendly kitchen is easier than ever these days thanks to innovations like GigiBees. GigiBees is an online store specializing in eco-friendly, reusable products to help create a zero-waste home. This includes GigiBees Reusable Metal Straws, perhaps the last straw you will ever need. These reusable 10-inch, stainless steel straws bend and twist to your liking and are easy to clean using just soap and hot water. Just shake out excess water to dry. Your straw can be repeatedly boiled, sterilized, oven baked and is also dishwasher safe.

GigiBees Eco Food Wraps also provide an effective alternative to plastic wrap and other single-use disposable products in your home or office. Made with sustainable ingredients like high-quality, natural beeswax and jojoba or coconut oil, these unique and reusable wrappers mold to your food to help keep it fresher longer.

A 3-pack of reusable wraps is priced at **\$20.00**. The reusable bendable straw is **\$12** for a pack of three.
