CARRYOKEBELL

www.VocoPro.com

\$89.00

Know someone who just loves to sing and entertain? Or are you thinking of new and fun ways of entertaining at home or on the road this holiday season? Consider the gift of karaoke! VocoPro makes that easy with its CarryOkeBell device, the world's first handheld, completely self-contained karaoke system. Home karaoke technology has evolved from bulky boom-box sized to systems like this that fit in the palm of your hand. VocoPro's new CarryOkeBell is a truly portable karaoke system with the microphone, amplifier and speaker built into one easy-to-carry gadget. It has on-board digital mic effects to help users sound like a star, or to transform the sound of their voices using the voice changer with seven fun vocal effects.

Karaoke enthusiasts can sing at home or on the road using Bluetooth technology and their own "smart" device to access favorite karaoke tracks online. Use this nifty gadget to turn any ordinary party or road trip into a fun-filled karaoke jam session!

DITTO VIBRATING CELL PHONE SIGNALER

www.HarrisComm.com

\$39.95

Know someone who is sick and tired of receiving seemingly useless notifications on their phone all of the time? Perhaps this person is you? Evening putting a phone in silent mode to avoid the influx of unwanted or tedious, non-essential messages, important notifications can be missed in the process.

The Ditto Bluetooth Vibrating Cell Phone Signaler will allow you to pick and choose who you want to receive calls, texts and email messages from. It's customizable with a free app, allowing you to pre-set important contacts like the babysitter or the boss, and not be bothered by every single phone call, text or email that comes in while doing other things...like watching a movie or conducting an important meeting. Ditto allows you to select your desired contacts and will only alert you to those that you have specified in advance.

The app is both iOS and Android compatible, and the console is available in black, white and clear.

JELLY CYLINDER NANO

www.JellyfishArt.com

\$369.00

This company has created one of the coolest pieces of living art! Envision something with the nostalgia and intrigue of a lava lamp, combined with the thrill of "living" art. Jellyfish Art has made the concepts of jellyfish tanks a simple reality for any home or office décor. These are interior-design-friendly, modern, cutting-edge aquariums. As an all-inclusive kit, the Jellyfish Cylinder kits include three sustainably aqua-cultured, live Moon Jellyfish and everything you need to set up the aquarium. The Jellyfish are express shipped directly to your door and are backed by a 10-day "Arrive Alive Guarantee." These kits are a truly unique gift for the holiday season, especially for that person who seemingly has everything.

TORCH COAT HEATER

www.TorchCoatHeater.com

\$99.95

The Torch Coat Heater is a portable, battery-operated heating unit designed to fit in a clothing pocket. With it you can transform your jacket—any jacket—into a battery operated heated garment, and fight the elements in clothing of your choosing. With the use of snag-free Velcro, Torch can easily be removed from your jacket and transferred to others to heat every jacket you own. The Torch 2.0, the company's Next-Gen Coat Heater, features more efficient heat pads, push button technology, a hidden battery pocket and a new 5V, 6000mAh power bank capable of operating the device for up to four hours, with the added capability of charging your cell phone.

This wearable technology is available in three different sizes to accommodate different users and apparel items.
