### Eye-catching luggage tags

Fair-trade and eco-friendly luggage tags from Jenny Krauss Designs are sturdy and easy on the eyes. Triple layers of material reinforce the hand-stitched embroidery that adorns the back of a clear acetate-covered sleeve with ID card. Created by Bolivian and Peruvian artisans, the tags are \$12 each, from [www.harrietandleo.com/tags.html](http://www.harrietandleo.com/tags.html).
