## JUST THE FACTS

Approximately 3 million people a month visit Las Vegas, and on any given weekend all of the restaurants, shows, clubs, concerts, boxing events, spas, golf resorts and other attractions are completely booked up or sold out – often months in advance. Even those with deep pockets find themselves in line right next to someone whose pockets are even deeper. In Las Vegas, it's not about how much money you have....it's about connections. Striker VIP is that connection!

Those who long for unencumbered access to all Las Vegas has to offer need only know one name: Striker. A throw-back to the bygone days of "Old School" Vegas, Striker ensures his clients experience what this storied town's glory days must have been like – getting treated like royalty everywhere you go thanks to that flesh pressing, pin-stripe suited, cigar smoking, ultra-connected guy who can get you anything you want, from anywhere, at anytime...no matter what.

Indeed, Striker VIP circumnavigates the city's notorious "politics of exclusion" to create exciting, extravagant, once-in-a-lifetime Las Vegas experiences for those with discriminating tastes and even higher expectations, for whom the ordinary just won't do. The company expertly engineers 100% custom-tailored vacation packages to meet each of its client's distinct needs, desires and "vision" – nothing is unattainable. As Striker VIP defines the Las Vegas party scene, its clients are guaranteed "insiders" who enjoy direct, easy, VIP-level access to the people, places, goods and services that make Las Vegas the world's most desirable destination for both leisure and business travel.
