"I tried to find FitTV® on my cable but to no avail because apparently Comcast™ thinks you should have to pay extra just to get FitTV. So, I did a little research and found this lovely little website <http://www.slimtree.com>. It has everything you could possibly need...It's amazing and best of all it's free. There's workout videos that cover everything from Yoga to Kung Fu, Pilates to kickboxing...I suggest visiting this website to anyone who is interested in setting up a workout plan but doesn't have the funds to get a gym membership or pay extra money to get a channel on their cable. You have nothing to lose (except maybe a few extra pounds...)...I can honestly say that since joining [slimtree.com](http://www.slimtree.com), i have lost a total of 15 pounds and I'm extremely excited."

"I just signed up for the on-line workout program. My position requires me to sit most of the day and I am gaining weight. I was very active in aerobics at one time. I found Slimtree and this is exactly what I was looking for. I love your instructors. I'm ready to make lifestyle changes."

"I have only joined Slimtree recently and am already feeling the benefits of your virtual exercise classes. I find this to be a brilliant online gym site - if only I had found it months ago!"

J.Sullivan , U.K.

"Slimtree.com is amazing. I love its concept of broadband gym, which suits my lifestyle perfectly. I use Slimtree.com to get fit, and the wide variety of exercises available enables me to choose and plan my workouts according to my fitness goals. I used to attend a gym near my workplace consistently, but later due to work, I became irregular. This is where Slimtree.com fits perfectly, and it's so flexible (because it's online) I do not have to sacrifice my workout! I'm seeing great results just by using Slimtree.com."

"The best thing about Slimtree.com is how simple it works. You can come from work and just turn on your computer and in a couple of seconds you are in your private gym. I think it is really convenient, especially for working moms or busy women."
