

Deer Springs Town Center in North Las Vegas, Nev., is one of two Regency Centers retail properties that recently became LEED-certified.

REGENCY CENTERS RECEIVES LEED® CERTIFICATION

Jacksonville, Fla.-based Regency Centers, a national owner, operator and developer of grocery-anchored and community shopping centers, has received LEED for Core and Shell certification by the U.S. Green Building Council (USGBC) for buildings at two of

its shopping centers in Nevada and Pennsylvania. The certified buildings are at Deer Springs Town Center, a 517,370-square-foot shopping center in North Las Vegas, Nev., and Lower Nazareth Commons, a 206,383-square-foot shopping center in Lower Nazareth Township, Pa.

PIECE MANAGEMENT GOES

GREEN WITH SOLAR POWER

The New York office and millwork fabrication shop of Piece Management, Inc. have gone solar. The shop now fabricates its millwork with solar power. To celebrate the environmental achievement, Piece Management held a ribbon-cutting “Solarfest” June 28, 2010 at its main office in New Hyde Park, N.Y.

Piece Management’s “Solarfest” ribbon-cutting ceremony in June.

WISCONSIN MALL INSTALLS WIND TURBINES

The East Town Mall in Green Bay, Wis., has installed seven Mariah Windspire© Wind Turbines at the mall’s front entrance, which will deliver low cost power to the mall. Mall owner Cabot Investment Properties, LLC developed the renewable wind power program in conjunction with Cabot’s project management team led by Kahler Slater Architects, Gaia Power Systems and Priest Engineering. The installation was performed by local Green Bay contractors, Bayland Buildings, Inc. and Suburban Electrical Engineers/Contractors, Inc.

ADVANCED TELEMETRY MAKES KEY HIRE FOR ITS ‘ECO-VIEW’ ENERGY MANAGEMENT SYSTEM

Twenty-year veteran and recognized authority in the U.S. sustainable building segment **Davis Watkins** has been appointed as vice president of commercial sales for Advanced Telemetry’s “EcoView” Energy Management System.

Watkins

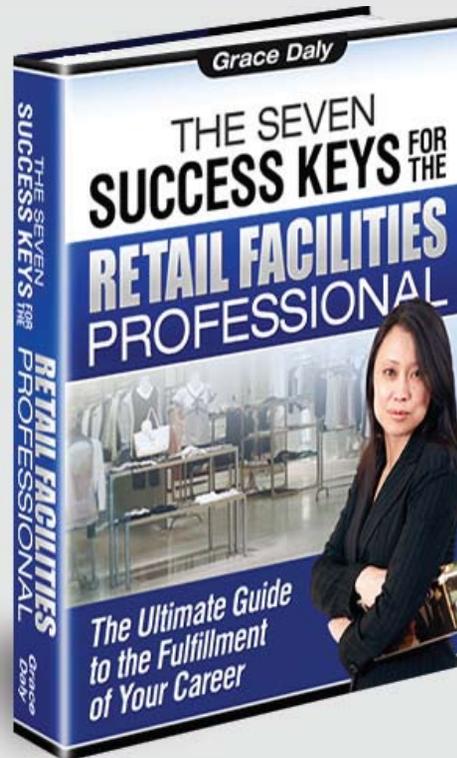

Prior to joining Advanced Telemetry, Watkins was vice president of applied products for Sanyo North America HVAC Solutions.
