Amazon.com (AMZN)

A Prime subscription means mucho music, as the e-commerce hit maker throws in its music streaming service as a perk. It's no showstopper, but Amazon's presence in video streaming and entertainment will continue to play a big role in its portfolio. Trading at \$952, Amazon is kind of like an overhyped diva. "Its current price-to-earnings ratio of 241.8 is significantly higher than the industry average of 55.9," says Brent M. Wilsey, who owns and operates San Diego-based Wilsey Asset Management.
