Centric Cece High Waist Bikers Shorts

BUY IT, \$52

Shape's senior social media manager is obsessed with these bike shorts, thanks to the buttery soft, compressive-but-not-suffocating fabric and the forgiving high-waisted fit, which proves comfy even when she's working out during ~that time of the month~. They stand up to boxing, weight training, and beach runs (the front hidden pocket is perfect for storing her keys and any sea glass she finds). "Definitely a must-have for any fashion-forward fitness fanatic," she says. (Related: [I Love This Celeb-Obsessed Spanx Workout Set So Much, I Wear It Twice a Week](#))
