

Fun and *fabulous*

Meredith Wendell's zebra haircalf satchel is fabulous! It features a fun pattern mixed with a cool shape. It has a zip top, detachable strap, conveniently located zip pocket perfect for a cell phone, metal feet and a dust bag. Check it out at rozstayger.com.

Add something **SPECIAL** to your letters

A return address stamp adds a little something extra to any envelope or letter. The Just Plain Jane stamp features a circular design that allows for three lines of text in the center and your name and address around the outside in a classic font. Each stamp comes with a black ink cartridge good for 10,000 to 14,000 impressions. Check out invitationbox.com for a large selection of personalized stamps.

Charge it up

The Juicebar Multi-Device Pocket Solar Charger was invented for every person that has ever had a dead cell phone battery and no ability to charge it. The Juicebar® stores 2000mAh of clean solar power in its battery and can charge all your mobile devices whenever the need arises.
