What They Say:

The Pelican Micro Case Series™ is perfect for your cell phones, PDA's, pagers and other personal gadgets and items. The new Micro Case Series are crushproof (withstands up to a 5,000 lb. truck), watertight and have an automatic purge valve. Cases come standard with an impact absorbing inner liner. The Micro Case is made from tough polycarbonate. Liner is designed to absorb shock, and acts as an o-ring to make the case completely watertight and waterproof. Your contents will remain safe and dry.

What We Think:

It absolutely works!

We put an old cell phone inside, and placed it outside during a terrantal down pour that lasted for hours. When the storm ended—we removed the phone and it was dry as a bone! avail: cableorganizer.com

TRIED & TRUE™

What They Say:

Cafe Steamers

Fresh taste unlocked by steam! Get crisp vegetables, tender meat, firm pasta, and fluffy rice when you enjoy one of our Healthy Choice Café Steamers™. These meals feature the DuoTray Steamcooker™, which allows you to steam your meal right in your microwave—unlocking unbelievably fresh-tasting, healthy meals.
