# TECH-TASTIC GADGETRY FOR THE HOME

## RENEW ZERO-GRAVITY MASSAGE CHAIR

Start and end your day refreshed with this choice chair packed with features like eight automatic massage programs, “Dynamic Squeeze” air cell massage and built-in lumbar heat. Renew pivots, reclines and elevates legs to a zero-gravity position with just the press of a button, while optical pressure-point detection technology scans your body to customize your massage. Priced at \$2,999. [www.brookstone.com](http://www.brookstone.com) Photo courtesy of Brookstone

## LG STYLER

This all-in-one-clothing care system is designed to refresh any wardrobe and special care items without the use of harmful detergents or chemicals, providing an ideal solution for any fashion-forward wardrobe. It features a sleek, modern design and elegant finish complementing the interior décor of any bedroom or laundry room—even premium walk-in closets. Priced at \$1,999. ## GROVE ECOSYSTEM

This intelligent indoor garden helps grow fresh food year-round by utilizing an MIT-developed aquaponics system. The compact assembly creates a living ecosystem where plants and fish live in symbiosis to create healthy produce like leafy greens, herbs and fruiting crops like hot peppers and strawberries. Dually controlled by the Grove OS app providing full guidance. Priced at \$3,399. [www.grovelabs.io](http://www.grovelabs.io) Photo courtesy of Grove EcoSystem
