

## Autoseal Hydration Bottle

Contigo travel mugs with a revolutionary new AUTOSEAL patented technology that automatically seals between sips. No lids to remove and no spouts to open. The products are 100% leak-proof and spill-proof with superior insulation properties and are BPA free. Sold at retailers nationwide.

## Cahootie

Perfect to send as a care package to your tween away at overnight camp, the Cahootie Party Pack features the modern version of hand-made "cootie catchers" with a variety of fun questions, silly dares and exciting fortunes. Cahootie ([www.Cahootie.com](http://www.Cahootie.com), \$6.99) encourages kids to unplug the computer, turn off the television, put away the video games and get their imagination going with this reinvented rendition of the beloved childhood tradition.

## Livi.Lu.Lu

A great cost-competitive line of skin nourishing products for adolescent "tween" girlie girls, including lotions, body washes, and lip balm. Livi's motto is "Pretty is as pretty does," knowing that being pretty on the outside starts when your heart is filled with love and kindness on the inside. Go to [www.herbn-renewal.com](http://www.herbn-renewal.com).

## iP42

The iP42 by iHome comes in 4 cool colors and allows you to wake to your favorite song, FM radio or buzzer, rather than to parents yelling a wake up call. The dock also charges and plays iPods and iPhone. It's available in June for \$99.

## Xbox 360 Flash Drive

New Xbox 360 flash drive from SanDisk.

It's always "game on" with the Xbox 360 USB Flash Drive by SanDisk. Carry your game with you anywhere you play. Preconfigured "Plug and Play" with XBOX 360. The Xbox 360 USB Flash Drive by SanDisk includes Xbox 360® updated software

Take full advantage of Xbox LIVE. One month subscription to Xbox LIVE Gold membership included. Download games, map packs, profiles, music and video.

16 GB \$69.99, 8 GB \$34.99. Available at your favorite electronic stores.

## Smart cover

Smart Cover has become one of the hottest secrets for hiding blemishes, dark circles, tattoos and more.

Girlscheerleading teams and many of Hollywood's hottest stars have discovered the Smart Cover secret to looking good.

For just \$29.75, the ten-piece Smart Cover starter kit includes several different shades of the concealing crème, from light to dark, so you can use them to mix and match to create the perfect shade. It also comes with a color corrector to neutralize the deep tattoo pigment first, allowing the concealing crème to cover completely and blend seamlessly into the skin on the face and body.
