

LOSE WEIGHT! WIN MONEY!

Ready for a trimmer body and fatter wallet? Sign up for a weight-loss competition at HealthyWage.com, and you could score \$200 to \$10,000 for meeting your goals. You can do a challenge solo, or for a chance to win even bigger bucks, recruit your co-workers and get healthy as a team. Pssst: Many companies cover the entry fees (\$60 to \$300) so you might really have nothing to lose!
