What: Decorative Luggage Tags from Harriet & Leo

About: These distinctive creations courtesy of Jenny Krauss Designs caught our attention, and when we learned that these individually unique, sturdy tags comprise three layers of

material hand-stitched in Peru (in the town of Ayacucho) and Bolivia (in El Alto), we were sold. These beautiful things also help provide, according to Krauss, "financial and emotional support to more than 500 Bolivian and Peruvian female artisans, who have exceptional skills but little or no job opportunities." Embroidery is on one side, while a clear acetate-covered sleeve with an I.D. card is on the other.

How: We have 10 of these gift tags to give away. To win one, fill out the form online at AAA.com/Win or send a post-card by Feb. 28, 2010, to Jenny Krauss Tags, *Car & Travel*, 1415 Kellum Place, Garden City, NY 11530. Entries must contain name, Club membership number and mailing and e-mail addresses.

Fine Print: Contests are open only to AAA New York members; AAA employees and their family members are not eligible. Multiple entries will be disqualified.

More Information: To buy one of these tags, visit harrietandleo.com/tags.html.

▲ If it's Tuesday, it Must be Senegal

What: *New York: The Big City and its Little Neighborhoods* by Naomi Fertitta

About: With beautiful photographs courtesy of Paul Aresu, this colorful book is a grand tour of New York City's ethnic neighborhoods, with an emphasis on food and culture. It makes you hungry just turning the pages, and while few people actually called Greenpoint, Brooklyn, "Little Poland" or Flatbush-Ditmas Park, "Little West Indies," everyone is sure to be familiar with Little Italy and Koreatown. Flick through these pages, find a nation and plan a delicious day.

All the five boroughs are covered. I, for one, did not know that there is a sizeable Sri Lankan community in the neighborhood of Tompkinsville, Staten Island, or a Little Albania in Belmont, The Bronx. Proof that New York City keeps on pulling surprises.

For More Details: Universe Publishing publishes this 160-page book. Click on rizzoliusa.com to purchase it (list price: \$25).

Families Have Saved Up To 50% On Heating Costs

And never have to buy fuel — oil, gas, kerosene, wood — ever again!

Lifetime Warranty

Hydro-Sil is a high performance individual room heating system that can save you hundreds of dollars in home heating costs by replacing old and inefficient heating. It can replace or supplement your electric heat, gas or oil furnace and woodstoves.

Hydro-Sil represents economy in heating: inside the heater is a sealed copper chamber filled with a harmless silicone fluid designed for heat retention qualities. The fluid is quickly heated by a varying amount of micro-managed proportional power. This exclusive technology greatly increases energy savings.
