GRAND VELAS RIVIERA MAYA RESORT

Perfection on the Yucatán Peninsula

While the all-inclusive resort industry has long suffered what I'll call an "image problem," particularly among the luxury travel set, the concept is not only single-handedly redeemed, but entirely elevated and profoundly redefined, at Grand Velas Riviera Maya. Located on Mexico's marvelous Yucatán Peninsula, the resort is set amidst a staggering 205 acres of paradise and protected mangroves, and replete with panoramic views of the azure Caribbean Sea. This family-friendly, pet-friendly, and eco-friendly resort is the only one in the Mexican Caribbean to receive the revered AAA Five-Diamond Award, and it is a Leading Hotels of the World-designated property.

Stay

There are 491 suites in total that range in size from a 1,184 square feet to 3,767 square feet. The Grand Class suite comes with its very own plunge pool on an expansive private terrace, as well as a bevy of high-tech conveniences. The amply-sized Grand Class suite bathrooms are a destination all their own, featuring a large Jacuzzi tub, separate floor-to-ceiling glass rain shower, and walk-in closet.

Service

Imagine having your very own personal butler while on holiday. At Grand Velas Riviera Maya, guests of the Grand Class enjoy their very own butler-concierge. The ratio of staff to guest is three to one and includes many multilingual, culturally diverse members. The resort is teeming with top-notch all-inclusive amenities, including 24-hour in-suite dining, a dedicated pool and beach concierge, an expansive children's pool and multiple infinity pools with swim-up bars, a Karaoke bar, live music at the lobby bar and sky bar, non-motorized water sports, fun activities, and valet parking. The state-of-the-art Life Fitness Centers offers cardio and weight training, Pilates and Yoga, and meditation.

Savor

Grand Velas Riviera Maya's crown jewel is its dining offerings. A virtual gastronomic voyage, each offers an upscale dining option focused on food and flavors from around the globe. *Cocina de Autor* is its signature restaurant that serves molecular cuisine that fuses classic and modern culinary techniques with science and technology to create an avant-garde food adventure. *Frida* offers Mexican fine dining that has garnered numerous awards for its fusion dishes, also winning the hearts of patrons with its margarita trolley. *Piaf* is a French restaurant that boasts a chef who is only one of 300 in the world to receive the title of "Maître Cuisinier of France." *Sen Lin* is an upscale Asian eatery that combines flavors from Japan, Thailand and Vietnam. *Lucca's*, a Northern Italian restaurant, serves up homemade pastas, specialty seafood dishes, and gourmet meats. The property also provides a selection of casual dining options.

Spa

When it comes to a vacation spa location, few exceed the first-class experience here. Boasting the region's largest spa, this luxury oasis tops out at a staggering 89,305 square feet of soothing space designed with one singular goal in mind: to ensure your utter enjoyment and relaxation. Named "Best Spa" in the world by *Virtuoso* and having garnered a *SpaFinder Readers' Choice Award*, visitors understandably have high expectations of this delight-driven destination. Simply stated, Grand Velas Riviera Maya is Latin American hospitality at its finest.
