Making a Mint? Rare United States Coins Prove A Resilient, Thriving Asset

Capital B Beyond Magazine

Covid-19 has had a profound and unprecedented effect on the global economy, and conventional markets remain highly volatile even after the recent Pfizer announcement. Investors may be considering alternative assets, both old and new, in the face of anemic investment yields. BB talks to collector and broker of rare, high end United States coins, Michael Contursi.

To begin with, could you tell us about yourself - why are you a trusted advisor/broker of rare coins?
