3 Key Decisions So Clients Don't Wreck Retirement In Year 1
 AUGUST 28, 2017 • JULIETTE FAIRLEY

Chances are, within the first 12 months that a client transitions from work to retirement, they will want to spend their savings on trying new things. Trouble is blowing too much money can result in missing out on stock market returns.

"The decisions you make at this dizzy and vital juncture, many of which are irrevocable, will
