

Pop Culture 'Soft Kitty' Phenom: Collectable Combo Debuts!

It's official! Stylin Online, the largest online pop culture apparel retailer, has released the much anticipated "Soft Kitty" singing plush toy and t-shirt combo from CBS' ratings-busting *The Big Bang Theory* (items also sold separately). In one unforgettable TV moment, Sheldon teaches Penny lyrics to a song his mom sang him when he was sick. The infectious song instantly became viral sensation and fan favorite!

The officially licensed *Big Bang Theory* Soft Kitty t-shirt was released earlier this year and quickly became a top seller. Now this 100% cotton screen-printed shirt, offering soft stretchy

form-fitting style, is available separately or together with a brand new Soft Kitty plush - one that sings the ever-popular "soft kitty song" featured in the classic episode. Just press the paw and Soft Kitty will sweetly sing the tune - "Soft kitty, warm kitty, little ball of fur. Happy kitty, sleepy kitty, purr, purr, purr" - just like on the show.

Fully 10-inches long, this grey and pink plushie is the perfect size to snuggle with. You will be hard pressed to find a cuter plush toy or more in demand pop culture collectable combo this season!
