Does Your Online Learning Institution Make the Grade?

The best online educators meet these challenges head-on

by BlackEnterprise.com Posted: August 12, 2015

A- A A+

This post was written by Dr. Steve Perry, founder and principal of Capital Preparatory Magnet School in Hartford, Connecticut. For more about the author, read his bio at the end of this post.

The adoption of new technologies has increased the educational options available to continuing education students. One tech-driver has ushered in an entirely new era: that of online degree programs. While learning outside of a physical classroom setting was rare
