George's Rants and Raises: SweetShine Liqueurs

in OTHER LIQUOR REVIEWS SPIRIT REVIEWS by FBWorld Team — July 22, 2015 at 2:55 pm | 0 comments

Good old-fashioned moonshine seems to be taking on a new shine these days. Back in the day, it was notoriously strong both in flavor and alcohol content. Fast forward to today and you find almost every moonshine distiller flavoring their shine with just about everything grown within spitting distance of their distillery. Actually, they used to do this even way back when because the shine was so caustic, it needed to be diluted and flavored just so people could stomach the stuff.
