

MOM STUFF

By Jane Muller

1 Voice Beanie

This active lifestyle inspired beanie boasts hidden Bluetooth technology with built-in, high quality headphones that sync with any Bluetooth enabled phones or music devices. The wireless sound discs and Bluetooth receivers are stealthily integrated into the hat itself and powered by a rechargeable battery that lasts 6 to 8 hours. Available at www.1voiceny.com. \$59 US

Zorah Volumizing Mascara

A high-end line of natural skin care and cosmetic products made in Quebec, it uses Argan oil as a base. This unique formula, enriched with organic Argan oil, hydrates lashes and provides intense colour with pure mineral pigments. \$27

Pure Anada Natural Lipstick

This Manitoba-based company was started by a local mom who wanted to make more holistic choices for her family. A healthier alternative to traditional cosmetics, this lipstick relies on glimmering minerals to provide natural shine and ensure long-lasting wear with no silicone, dyes or artificial flavours. \$12

Apelpi

Pronounced "apple pie", these devices can double or even triple the battery life of smartphones, tablets, eReaders, and more. Available in three options, each with a micro-USB to USB charging cable, it's sleek, lightweight and compact for easy carrying and charging convenience without missing a beat. www.apelpi.com \$64.99 US

Pai Skincare

British brand Pai Skincare is now available in Canada. Pai is the only certified organic, premium range for sensitive and delicate skin. (<http://usa.paiskincare.com>) Chamomile & Rosehip Calming Day Cream \$65; Camellia & Roe Gentle Hydrating Cleanser \$50

Plume Heart Charm

This beautiful charm of an abstract heart would make a great gift to hint at any time of year, birthday, anniversary, Valentine's Day, Christmas.... It can be made even more special with a custom message engraved on the back. Name discs and stones sold separately. Available in gold or silver. \$185 US

Up Shirt

UpCouture has created what it claims to be the first patented anti-slouching, posture-promoting shirt line. It features extra-thin elastic film built in between organic cotton layers that creates pressure and makes the t-shirt less comfortable to wear when slouching than when maintaining good posture. Available online at www.upcouture.com - prices around \$155 US

Bogs Alexandria Tall Boot

The winter line-up is waterproof and features a "biogrip" outsole to prevent slipping and odor-fighting fabric inside. This tall boot has details like pull-on holes and stretch panels. Various styles available at Factory Shoe Outlet in Burlington, Adrian's Shoes in Toronto and other major retailers. \$210

Blundstone Canvas

When it's time to kick off heavy winter boots, Blundstone has a new line of lightweight, breathable canvas boots designed for warmer weather. They'll work with a variety of fashion styles thanks to the classic Blundstone boot design. www.blundstone.ca. \$129.95 US

MilkBooste cookies

The first snack in Canada to support and enhance milk supply, these cookies from Doula Pantry Naturals provide a balance of nutrition, wholesomeness and milk-boosting ingredients. MilkBooste cookies are available in oatmeal raisin and coco quinoa flavours and can be ordered online for direct-to-the-door home delivery at <http://www.doulapantry.com>. \$21.99/bag

Photo to canvas

Turn any photograph into art for your wall thanks to a process that prints photos on canvas. Available at Blacks, the premium canvas is mounted on a sturdy frame, creating a one-of-a-kind masterpiece. (www.blacks.ca) Starting at \$19.99

Stokke® Scoot

For fashionable moms, Stokke introduces two new style kits and colour options for their strollers. The compact, versatile city stroller now has new features including foam filled rubber tires, two-way seating with three positions each way (new rest position) and an upgraded canopy. \$599 US
